

Announcement

SUNIL GUPTA, P.E. PROMOTED TO ASSOCIATE VICE PRESIDENT

JED Engineering, P.C., is pleased to announce the promotion of Sunil Gupta, P.E. to Associate Vice President for Engineering Services. In this capacity he will support the company with the management of our project portfolio, and continue and expand the services that our clients have come to expect from JED.

Sunil brings over 40 years of professional experience in the planning, design and construction of major public projects pertaining to transportation, aviation and infrastructure projects throughout the New York and New Jersey region. Prior to joining JED in 2015, he was Chief General Manager with The Louis Berger Group in the Middle East and South Asia Region and also served as the Project Director and Team Leader for various Infrastructure Development Programs including

Transportation and Bridge projects under the Private Public Partnership (PPP) in USA and abroad.

Sunil holds a BS in Civil Engineering and a Master's in Business Administration and is a registered Professional Engineer.

About JED Engineering, P.C.:

JED Engineering is an M/DBE multi-discipline Engineering and Construction Management Firm established in 2010. We are a rapidly growing firm driven by our commitment to provide unsurpassed quality services to our clientele in both the public and private sectors. The firm is headquartered in Valley Stream, N.Y. with offices in New York City and Washington, D.C.
