SUNIL GUPTA, P.E. PROMOTED TO ASSOCIATE VICE PRESIDENT

New York, NY, March 12, 2018: JED Engineering, P.C., is pleased to announce the promotion of Sunil Gupta, P.E. to Associate Vice President for Engineering Services in our New York City Office. In this capacity he will support the company with the management of our project portfolio, and continue and expand the services that our clients have come to expect from JED.

Sunil brings over 40 years of professional experience in the planning, design and construction of major public projects pertaining to transportation, aviation and infrastructure projects throughout the New York and New Jersey region. Prior to joining JED in 2015, he was Chief General Manager with The Louis Berger Group in the Middle East and South Asia Region and also served as the Project Director and

Team Leader for various Infrastructure Development Programs including Transportation and Bridge projects under the Private Public Partnership (PPP) in USA and abroad.

Sunil holds a BS in Civil Engineering and a Master's in Business Administration and is a registered Professional Engineer.

About JED Engineering, P.C.:

JED Engineering is a rapidly growing MBE multi-discipline Engineering and Construction Management Firm established in 2010. Currently we have a staff of 47 and are poised to increase in order to meet our growth and our client's expectations. The firm is headquartered in Valley Stream, N.Y. with offices in New York City and Washington, D.C.

Sunil Gupta, P.E.
